Career Objective

A quick learner with a passion for exploring new technologies and improving every day. I aim to contribute to software solutions by applying creativity, logic, and teamwork while continuously learning and growing in the IT field.

Education

- **Master of Computer Applications (MCA)** Expected July 2026
Prof. Ram Meghe Institute of Technology & Research, Badnera (Amravati)
Sant Gadge Baba Amravati University
- **Bachelor of Science (Electronics & Computer Science)** May 2024
Bajaj College of Science, Wardha — RTM Nagpur University CGPA: 6.33
- **Higher Secondary (HSC)** August 2021
Jankidevi Bajaj College of Science, Wardha — Maharashtra State Board 88.33%
- **Secondary School (SSC)** March 2019
Bharat Dnyan Mandiram Convent, Wardha — Maharashtra State Board 76%

Technical Skills

- **Languages:** C, C++, Java, Advanced Java, SQL, HTML
- **Tools:** Eclipse IDE, MySQL Workbench, MS Office (MS Excel)
- **Core Concepts:** Object-Oriented Programming (OOP), Database Management Systems (DBMS), Basic Cloud Computing

Project

Smart Farming System

Technologies: Java, Servlets, JDBC, MySQL, HTML, Eclipse IDE

- Built a web-based system to help farmers with crop recommendations, cost estimation, and weather-based insights.
- Implemented key modules including soil data analysis, watering schedule, crop suggestions, and cost estimation charts.
- Designed with the aim of supporting small farmers through simple, data-driven decision-making tools.
- **GitHub:** github.com/sakshilakhe31/Smart-Farming-System

Internships

- **Google Android Developer Virtual Internship (AICTE)** July – September 2025
Completed a guided virtual internship focused on Android app fundamentals using Java and XML. Learned basic app structure, Firebase integration, and UI/UX essentials.
- **AWS Cloud Virtual Internship (AICTE)** October – December 2024
Completed a virtual internship on AWS cloud fundamentals. Explored EC2, S3, and Lambda services through learning modules and demo exercises.

Certifications

- Certificate of Competency – **Fundamentals of Deep Learning** (NVIDIA, 2025)
- AICTE – Google Android Developer Internship Certificate (2025)
- AICTE – AWS Cloud Internship Certificate (2024)
- AI for Students: Build Your Own Generative AI Model – by Abhinav Devaguptapu

Extra-Curricular Activities

- Presented a seminar on “ChatGPT” at Bajaj College of Science, Wardha.
- Attended workshops on Cloud Computing and Generative AI.
- Participated in various college-level technical and innovation events.

Core Competencies

- Quick adaptability and a strong learning mindset
- Clear communication and effective listening skills
- Team collaboration and leadership ability
- Creative thinking with a problem-solving approach.

Declaration: I hereby declare that the above information is true and correct to the best of my knowledge and belief.
